Those that believe in stats

and an AI, you who believe the numbers, you are full of shit, if you entertain what the media is saying and what the government is saying about this scamdemic. Do some work

and some math, sweat some, and do your own research; remember they have not repented from the first LIE they have told us.

Never wear a mask, you are being MARKED. GREAT-I-AM gives you air to breath and to restrict that is foolish by wearing mask. You sure as hell cannot breathe air under water.

The SHAME TRAIN is about to leave you need to get onboard and quit believing a lie against GOD and your fellow human. Torment is coming and we can not wait to inflict pain to serpent-seed. We hope

you repent because it is bullshit you believe, and a lie is bullshit, and your father Satan is going to $pay. The DOCTRINE-KILLER is on point. #prepare for water
